BLUE EYE.

A McDougall Kitchen Cabinet

WILL save you hundreds of steps because everything you need in the preparation of a meal can be found in the cabinet without your going back and fourth from the kitchen table to pantry and closet.

A McDougall Kitchen Cabinet

takes the place of the kitchen table and gives you the same unobstructed working service as the table—with a drop leaf at either end if desired.

Think of the convenience it would be to you in the preparation of a meal, to have all the food supplies, dishes, cooking utensils, flour, sugar, salt, spices, and everything else within the instant reach of your hand, without your leaving the cabinet.

Think what it would mean to you in the saving of time as well as in the saving of steps. Think what it would mean to you when you came to make up your grocery order to be able to look through the cabinet and tell exactly what you need without looking in a dozen different places.

FOUND PETRIFIED FOOT.

While at work on the excavation for the foundation of the new glass works, Mr. W. F. Smoot unearthed a petrified foot encased in a moccasin. It was evidently that of an Indian or a white hunter who wore moccasins. It was about four feet under the earth when found.

BUGGY SMASHED.

While a colored boy was driving the buggy and horse of Dr. N. M. Garrett along Second street, on Saturday, en route to the livery stable of Mr. W. F. Hearn, the horse became frightened and dashed upon the pavement, at the corner of Bridge and Second, tearing the top of the buggy off. The horse was also considerably out and bruised. The colored boy, although frightened almost to death, hung on and was unhurt when the horse was caught.

COLLECTION OF REVENUE.

The following is the report of internal revenue taxes collected by Deputy Collector Grant L. Roberts for the month of August: 2,301 barrels; \$7,892 6-10 tax gallons; \$96,681.86 amount of tax.

JUDGE O'REAR'S SPEECH.

Judge E. C. O'Rear, of Mt. Sterling, spoke at the Courthouse in Versailles, Monday, in the interest of local option, and it is conceded by all who heard him that his speech was one of the ablest in behalf of this question they ever heard. Judge O'Rear is one of the strongest members of the Court of Appeals and enjoys to a high degree the respect and confidence of his fellow-justices and all others who have business with the State's highest court. He is heartily in favor of local option and gives his reasons therefor in a vigorous, convincing manner. His speech will result in great good to the cause here.—Midway Clipper.
